WOMEN'S WONDERLAND TEA ANNOUNCES ADDITION OF FEATURED JAZZ SINGER BRENNA WHITAKER

TV Host and Motivational Speaker Keri Murphy Hosts Inspirational Event Benefiting Toys For Toys and Dress For Success

Los Angeles – November 29, 2010 – Event organizers of the Women's Wonderland Tea are proud to announce the addition of the soulful and eclectic jazz tunes of Brenna Whitaker and her quartet. Brenna is a sought-after singer in the LA area, and her unique music will set the stage for this festive event. The Tea will be held on Sunday December 12th from 1 – 4pm at the Newport Beach Radisson in Orange County. Headlining the event will be Keri Murphy, TV host and motivational speaker.

This inspirational event is a benefit for Dress for Success and Toys for Tots and welcomes women and girls of all ages. It will include a fashion show featuring clothing from Orange County boutiques, music, gifts, a photo set with professional photographers, and much more. Tickets are available for \$50 at kerimurphy.com or by calling (424) 835-0466. Attendees are encouraged to bring unwrapped toys for Toys for Tots.

As event host, Murphy brings a unique, empowering message. In today's media-driven culture, the image of rail thin models walking the runway is often what is depicted as the only ideal of what is beautiful or sexy. Because realistic and healthy role models are increasingly rare, too many teenagers and adults suffer trying to fit this ideal. Addressing this very real and growing problem is a passion and mission of Murphy, which she will share at the event.
